

## **Ted Chen, LifeSaver**

Ted is a technology entrepreneur whose current software company, LifeSaver, provides an effective approach to solving the distracted driving epidemic. With over 20 years of experience in Silicon Valley, Ted is recognized as a leader in building strategic partnerships for technology companies.

Before he started LifeSaver, Ted was VP Strategic Partnerships at YouSendIt, where he was responsible for accelerating YouSendIt's business through the growth of its partner ecosystem. Prior to YouSendIt, Ted was a business development exec at Yahoo!, where he built and led teams focused on the company's most popular services such as the Yahoo! Home Page, My Yahoo!, Yahoo! Groups, Yahoo! Photos, Yahoo! Mail and Yahoo! Messenger. Under Ted's leadership, these services tripled their revenues in five years. Before Yahoo! he served in senior business development roles at Netcentives and AOL/Netscape.
